SUMMARY OF FINANCIAL ASSISTANCE AND SURPRISE BILLING PROTECTIONS

As part of our mission, Pasadena Hospital Association, Ltd., dba Huntington Hospital and The Huntington Medical Foundation dba Huntington Health Physicians (the “Organization”) are committed to providing access to quality healthcare for the community and treating all of our patients with dignity, compassion and respect. This includes providing services without charge, or at significantly discounted prices, to eligible patients who cannot afford to pay for care as provided by our financial assistance policy (the “Policy”). We also offer our patients a variety of payment plans and options to meet their financial needs, even if they do not qualify for assistance. This document is our plain language summary (the “Summary”) of the Policy.

Eligibility – Full Discounts and Reduced Amounts

Financial assistance will be made available to patients receiving medically necessary procedures and whose income and monetary assets (together “income”) are at or below 400% of the current year’s federal poverty level (FPL). Patients whose income ranges between 401%–600 % of the FPL also qualify for discounted care. Discounts available to patients will be on a sliding scale based on family size, income level and insurance status. Patients seeking financial assistance for elective services arrangements will require prior approval by the vice president of Patient Financial Services or their designee. Only medically necessary procedures are eligible for approval. Financial assistance for elective procedures and for follow-up care following discharge is limited to patients who live in the Organization’s service area. If a patient does not qualify for entirely free services but is eligible for a discount under the Policy, the patient will not be charged more than amounts generally billed by the Organization for emergency or other medically necessary care.

Physicians and services

The Policy only applies to services provided by the Organization and only includes physician services if provided by Huntington Aligned Medical Group (“HAMG”) and Huntington Foundation Medical Group (“HFMG”). It excludes the Organization’s Randall Breast Center locations, Huntington Ambulatory surgery Center, LLC and Huntington Outpatient Imaging Centers, LLC.

Applying for financial assistance

Patients seeking free or discounted care under the Policy will need to complete a financial assistance application (the “Application”) and submit any required documentation. The Application and documentation will go through a review process by the Organization.
