

Subject: Waitlist Application for Assisted Living Waiver (ALW) Program

Huntington Senior Care Network, an Assisted Living Waiver (ALW) Care Coordination Agency (CCA), is pleased to help you with your interest in the ALW program.

The State of California Department of Health Care Services (DHCS) is responsible to manage the program, including decisions about placing you on the program waitlist, and when you can be assessed for eligibility and program enrollment. The wait time for the program may be long, and we know it can be difficult to wait for placement.

Please fill out and return the form in this packet. You can return the completed form to us by:

- Mail to the address on the form and on this letter, or
- Secure email to HSCNALW@huntingtonhospital.com, or
- Fax to (626) 397-2143

Once we receive the completed application, we will contact you with any questions or issues. We will notify you when we submit your waitlist application to the DHCS.

If at any time you have questions regarding the ALW program, please call our Resource Center. We can be reached Monday through Friday, 9:00 AM to 4:00 PM at (626) 397-3110 and press option 1. Our staff will be pleased to assist you.

Warmly,

Leigh Milhorn, MS, RN
Supervisor, Community Nursing SCN

Assisted Living Waiver Program

This program is for older adults and adults with disabilities who want to live in an assisted living facility. Assisted living is home-like and offers meals, help with personal care, and activities. The Assisted Living Waiver program (ALW) helps pay for these services and provides ongoing support from Senior Care Network's team of nurses and social workers. We work with several assisted living facilities who accept the waiver.

Do I qualify for ALW?

Consider applying if you meet all:

- 21 or older
- On Medi-Cal with zero Share of Cost (SOC)
- Have medical conditions that could need nursing care
- Want to live in an assisted living facility where ALW is provided

What are the benefits of ALW?

- Living in a home-like setting rather than a skilled nursing facility
- In-person visits from a social worker every month and assessment by a registered nurse two times per year
- Help with insurance coverage and community resources
- Having someone to talk to and advocate for your needs

Who Pays for ALW?

Medi-Cal pays for services at the assisted living facility. However, the resident must pay for their own room and board. Most residents use their income, such as Social Security or SSI, to pay.
