

## ***Senior CareLine***

Socializing is an important part of our daily lives, but sometimes it can be hard to connect with others, especially while staying at home to protect your health.

Do you ever wish someone would call just to chat?

***Social connection is just a phone call away!***

Through Senior CareLine, Huntington Hospital volunteers connect with you by phone on a regular basis. You can talk about your favorite movies, family, or whatever is on your mind.

Call Senior Care Network today to learn more and request a friendly caller.

For more information, or to learn about volunteering, contact the Senior Care Network Resource Center at (626) 397-3110 or (800) 664-4664, option 1, or [HSCNRC@huntingtonhospital.com](mailto:HSCNRC@huntingtonhospital.com).
